FOREWORD

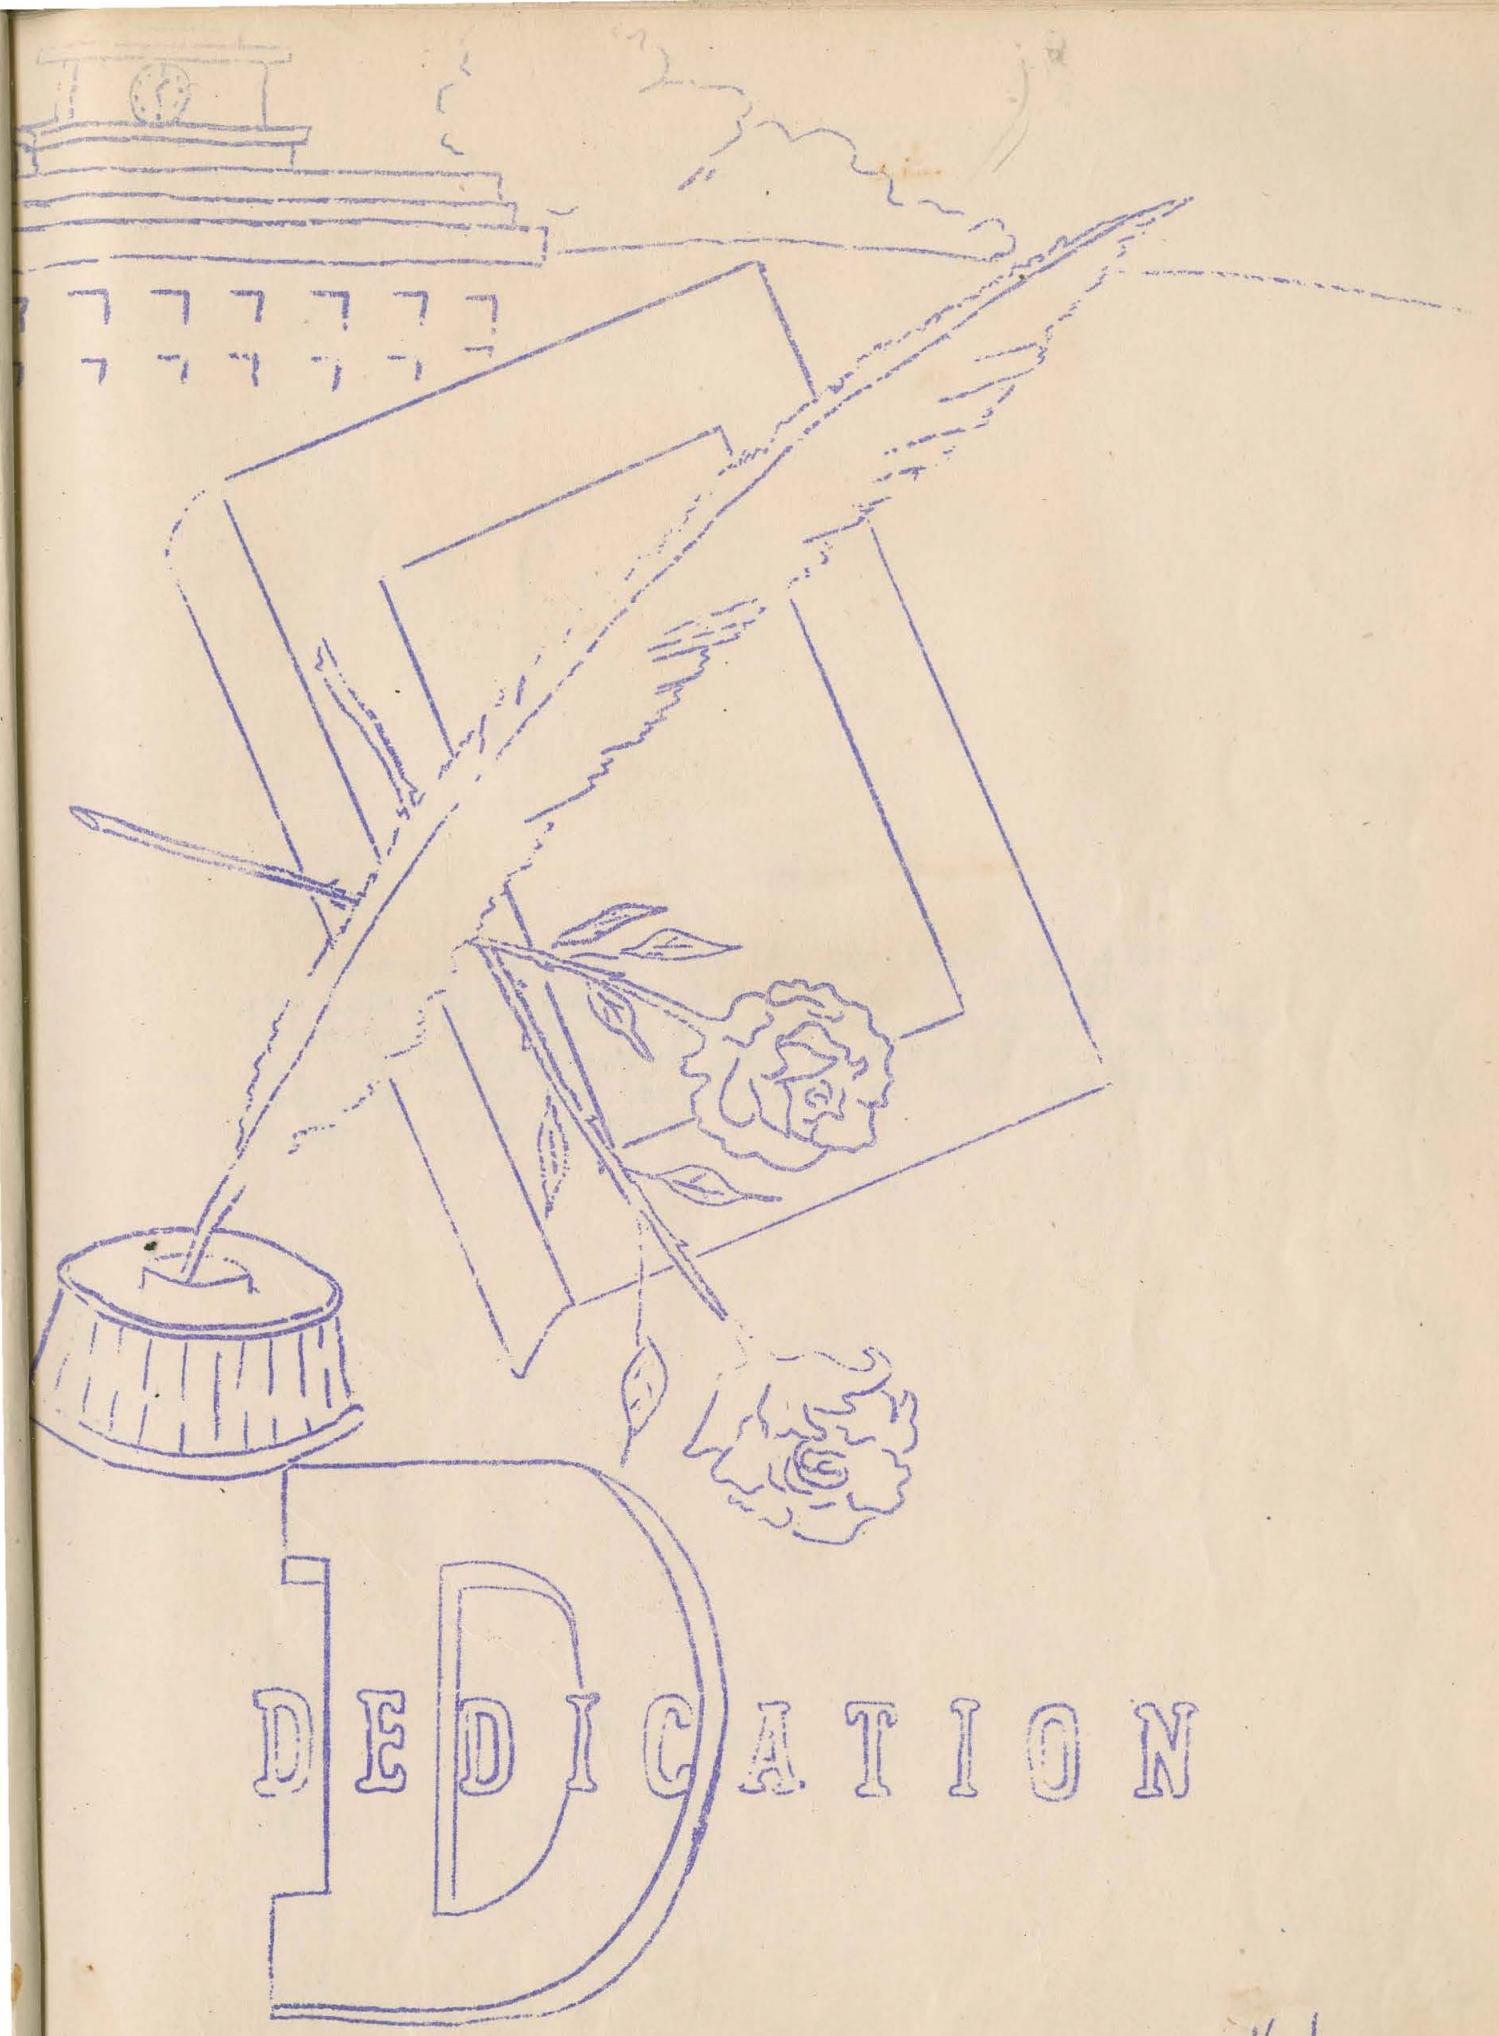

As we go from classroom to chapel, from club meetings to library, from lunch room to athletic field, from cooking and sewing to farming and shop work, from study and day dreaming to social recreation and play, we find ourselves being molded into characters of different patterns. Through our varied activity we have kept busy but we have found happiness in work and play. Thus our high school days have given us the opportunity to live together democratically, so that we may be better prepared to meet the challenge of community living.

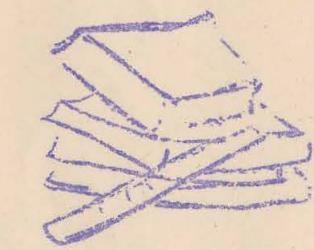

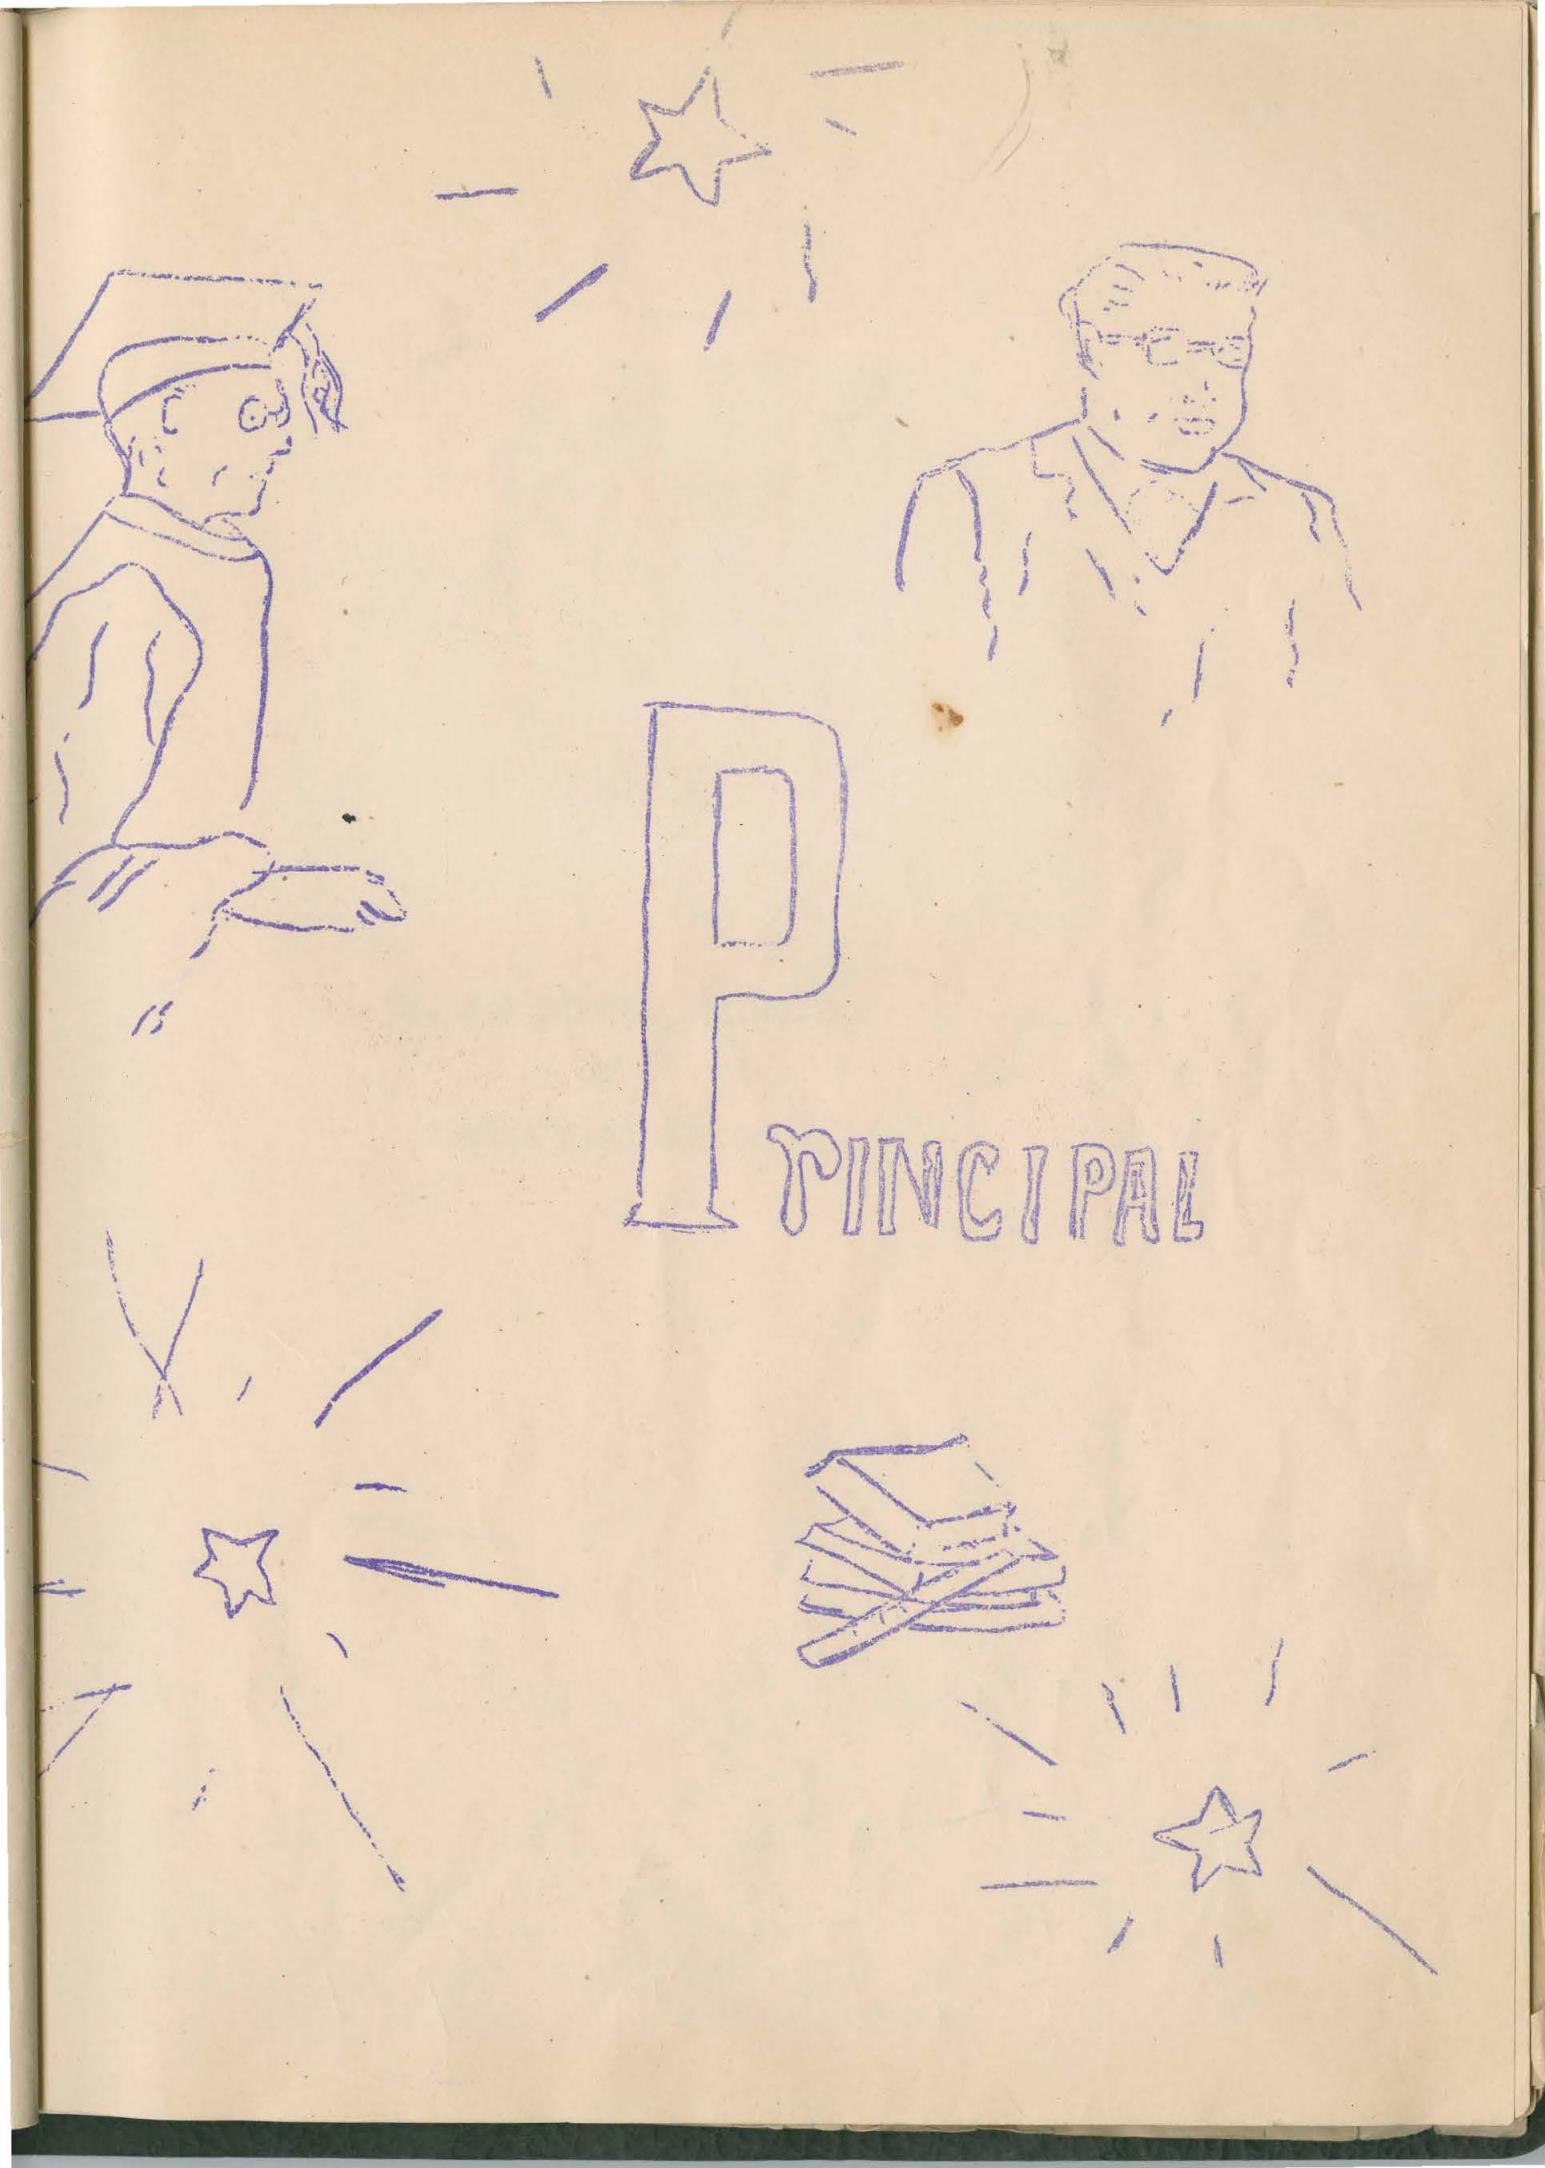

" Narunad "

High School

V.J.

Because we appreciate the qualities of honesty
and integrity, loyalty and sincerity, friendly co-
operation and willing helpfulness, which she depicts,
we, the Senior Class of 1949 of Naruna High School,
dedicate this, the tenth volume of "The Lone Pine,"
to Mrs. Arline Whitlow.

William

Quietest
Most studious

Vivian Johnson.....Valedictorian

William Jennings.....Salutatorian

Imogene Minix.....Historian

Our high school teachers seem to hold their own and have become permanent fixtures in the South Campbell Consolidated School. In a regular jam session, they have been discussing the 1949 Senior Class---Here's the latest-----

Rodgers has just been discharged from the army and you should see him and his Hawaiian wife hula.

Floyd has just been kicked out of the army for sleeping at the dinner table.

You should see Lois in her latest movie, "Land of Midnight Dreams" Lois now weighs 248 and is rather slow at dancing.

Imogene has found it hard to attend college and having to put into practice what she learned in first aid, since her husband still enjoys roller skating.

Vivian has been very sucessful in her music and voice and is now singing at a popular night club in New York.

Jean has found nursing quite entertaining between the hours 7 to 9 when Dr. Harris is on duty at the hospital.

Nancy is now supervisor of Virginia Baptist Hospital. Her latest patient was a tractor driver who let his tractor skid down a hill. Nancy knows just the thing toddo.

Thomas is now coach of the Patrick Henry League ball Team. He likes playing ball fine as he gets lots of cheers from a certain little virdie.

Elizabeth is now working in a beauty salon and has plans for a saloon of her own, but there is a sparkler on her finger. We wonder who he is????

Have you all seen the cute little cottage on the Jennings farm? Did you notice the colorful flowers in the yard and crepe curtains hanging over the windows? Can a bachelor be a good housekeeper or what has happened to William? As we passed we heard a faint cry from within calling "Da-da".

CAN YOU IMAGINE-----

Can you imagine Floyd staying awake long enough to make a second date.

Can you imagine William dancing.

Can you imagine Nancy not riding in a puddle-jumper.

Can you imagine Imogene shooting a Buck Shot shell into a Smith Douglas sign pole.

Can you imagine Lois changing her name. "Watch out Hermit!"

Can you imagine Elizabeth not using Johnson's products.

Can you imagine Thomas singing in an opera.

Can you imagine Vivian not having curly hair.

Can you imagine Jean setting her head to do something and failing.

Can you imagine Rodgers being a rest 4 inches tall and weighing 300 lbs.

AN IDEAL SENIOR WOULD HAVE-----

Hair like Imogene Minix

Eyes like Floyd Crabtree

Height like Elizabeth Cilliland

Musical ability like Vivian Johnson

Willingness to help like Nancy Evans

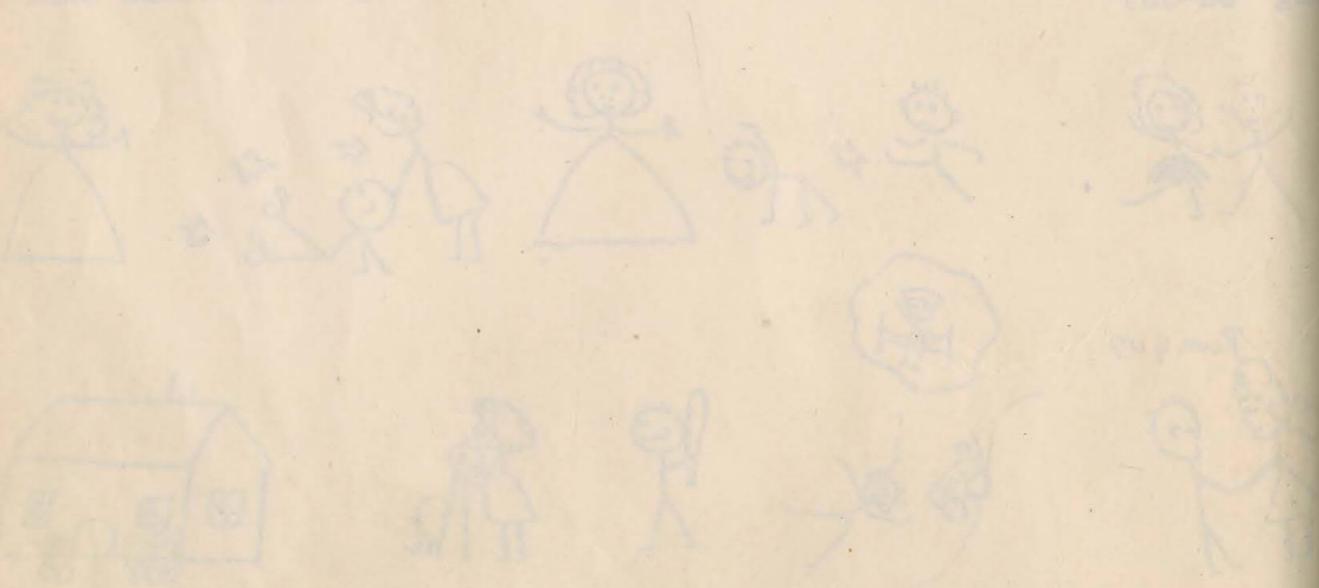

Athletic ability like Thomas Jennings

Personality like William Jennings

Dignity like Lois Cunningham

Kindness like Rodgers Arthur

Cheerfulness like Jean Irby

Beta Club

Underlying the organization of the National Beta Club was the basic idea of furnishing a means for honoring students in all accredited American High Schools for their social, scholastic and moral efforts and accomplishments. All too often those students who devote themselves earnestly to their studies go unnoticed and unrewarded for their excellence in scholarship. It is the purpose of the National Beta Club to furnish an incentive to scholastic excellence and to reward outstanding merit in academic accomplishments. The chief purpose of all educational institutions is the minds of the students enrolled therein. The Beta Club was organized and constituted with a view to aiding the school authorities in the pursuance of this objective.

It has long been the belief of many who have been interested in the education of youth that this education can be enhanced by cooperation and coordination of student efforts, by affording a means for the outstanding minds of a school to get together periodically and pursue common interest together. Beta Clubs give decided impetus to greater mental efforts. Better results can be thus accomplished than can be attained by gratuitous urging.

The National Beta Club hopes to afford public recognition for academic excellence and to reward in a definite way positive accomplishments in honest scholastic efforts. It will be the constant purpose of the officers of this organization to encourage individual integrity and self dependence. Participation in Beta Club work on the part of high school students will make for efficient and honest endeavors toward physical and moral development. At the same time it demonstrates, through club meetings and activities, the value and helpful pleasure ensuing from group interest and effort.

Membership in the National Beta Club is open to students of any state accredited senior high school subject to qualifications as set up by the constitutions and local high school administrations.

Student membership is determined by the high school administration on basis of good mentality and character, creditable achievement, and commendable attitude.

Beta Club local chapters are placed by the executive head of the high school, under the sponsorship of some member of his faculty.

The Beta Club is probably the most democratic organization that has ever existed in high schools.

It is hoped that the Beta Club will be known, not only as an organization that stands for the ideals of service, but as one which does something about implementing its professions by living up to its motto, "Let us lead by serving others, Ducamus Aliis Serviendo."

Naruna High School, having complied with all of the requirements set forth in the By-Laws and Regulations of the National Beta Club on February 24, 1949 was granted a charter for the establishment of the Naruna High School Beta Club Chapter.

With the assistance of the members and sponsor of the Brookneal Beta Club, the N.H.S. Beta Club was officially inaugurated and the first officers installed on Thursday, March 10, 1949. Charter members who subscribed to the club pledge and the officers installed are listed on the following page under the Beta Club picture.
